

Take the **20x20** Challenge

to support crime victims in San Diego County

Making a difference is as easy as 1-2-3:

1. Identify **20** friends, family, classmates, coworkers, and community members
2. Invite them to join your efforts to support crime victims by donating **\$20**
3. Collect donation checks or refer donors to Venmo or GoFundMe to contribute

Celebrate the power of collective impact...you helped raise **\$400** in 2020!

What is the **FBISDCAAA** Victim Assistance Project?

FBI Victim Specialists work with a network of local non-profits and other service providers to help victims and their families cope with the impact of trauma resulting from violent crimes, crimes against children, human trafficking, hate crimes, white collar and cyber crimes. While there are a variety of worthy programs dedicated to supporting victims of these crimes, **there is often a gap** in scope and time when these resources or services are not immediately available. The **FBISDCAAA** Victim Assistance Project is intended to **bridge this gap** and provide discretionary funding and services to help meet the critical needs of victims and reduce the effects of trauma.

How will my donation be used?

Contributions to the **FBISDCAAA** Victim Assistance Project will address victim needs, which may include:

- Clothes for a rape victim when investigators must collect their clothes for DNA testing
- Suitcases for victims of human trafficking who have nothing but a trash bag to carry their belongings
- Lodging and transportation for individuals and families fleeing violent situations
- Dental or medical procedures for victims of torture and abuse
- Meals for a community or congregation victimized by a hate crime

Donations help **provide immediate relief** for victims during interviews, court hearings, forensic examinations, and other stressful situations.

How can I make a donation?

There are three ways to make tax-deductible contributions:

- On **Venmo**, search for @FBISDCAAA
- On **GoFundMe.com**, search for “FBISDCAAA” or “emergency victim assistance fund”
- Make **checks** payable to “FBISDCAAA” and note “Victim Assistance” in the memo

SAN DIEGO

The FBI San Diego Citizens Academy Alumni Association (FBISDCAAA) is a non-profit organization separate and apart from the FBI. Our work is in alignment with the FBI San Diego Division's priorities, capabilities, needs, and objectives. Questions? Email FBISDCA@gmail.com.
